VBINE Energy	Dwight Siman PO Box 1453, Highway 1 & 8 Moosomin, SK S0G 3N0 Canada Tel: 306-435-3777 Fax: 306-435-4096 dwight@vbine.com www.vbine.com	Vbine energy has developed the world's first direct drive vertical axis wind turbine and uses patented technology to deliver 5kw of power while providing unmatched durability and performance with a patented blade design that truly starts on its own with just a breeze. Vbine has built a 5kw generator with unmatched durability and low maintenance. The direct drive technology and low rotation speed lends itself perfectly to inline installations on communication towers (a first for the industry).
