

THE INTERNATIONAL

Issue 04 | Summer 2022

We are so excited to welcome you all back to Agribition's 51st show!

We are busy planning for a full capacity event for 2022 and are eager to see all of our guests from around the world.

Show dates are **November 28 – December 3, 2022**. We are, once again, hosting 12 breeds of cattle under one roof, bison, sheep and alpacas and a complete agri-trade show, which is nearly sold out!

We are excited to announce the prestigious event, **President's International Reception**, will be hosted at the **Conxus Arts Center, Regina, SK on Tuesday, November 29, 2022**. Hosting the reception on Tuesday will allow more time for networking, a chance to visit our other receptions, and the ability for our international guests to enjoy the many other livestock shows and sales early on in the week. You will receive a complimentary ticket to the President's International Reception with your international registration.

International guest registration and applications for Incoming Buyers are now open. All information regarding travel and accommodations can be found at agribition.com

Please note that there are COVID-19 vaccination requirements to enter Canada. [Click here for more information.](#)
