2013 Barry Andrew Family Scholarship Recipient

REGINA, SASKATCHEWAN – Canadian Western Agribition (CWA) is pleased to announce the first ever recipient of the new Barry Andrew Family Scholarship.

Roberta Anderson of Bethune, SK – Roberta is in her final year of her Bachelor of Science degree in Agriculture at the University of Saskatchewan. Roberta's twelve year involvement with CWA included many 4H activities and volunteering for CWA. Roberta is also the daughter of past CWA President, Gary Anderson.

"Our family is very proud of this scholarship." said Reed Andrew, son of the late Barry Andrew, and CWA President. "My dad had two goals when he made this bequest: support youth in Agriculture, and encourage others to follow his lead by making similar donations to support Agribition and it's greater community."

In April 2013, CWA learned that long-time CWA supporter Barry Andrew, who passed away last December, had left a generous bequest of \$25,000 to the organization, which will be designated towards the Barry Andrew Family Scholarship.

The scholarship is a \$1,500 award that can be used at any recognized post-secondary institution in Canada or the United States. The Barry Andrew Family Scholarship is awarded to students that have participated in CWA and are enrolled in an Agriculture related program.
